Young People's Symphony Orchestra (YPSO) is the oldest youth orchestra in California and the second oldest in the nation. Founded in 1936, it has inspired and educated generations of musicians and tens of thousands of audience members.

YPSO provides an unsurpassed orchestral training program for committed musicians between the ages of 11 and 21. Each year, 90-100 young musicians expand their musical experience through rehearsal and performances of a wide range of symphonic repertoire. Members come from throughout the Bay Area: 46% from Alameda County, 30% from Contra Costa County, 9% from Marin County, 4% from San Francisco, 4% from Napa, 4% from Solano, and 1% from San Mateo counties.

300+ people will see your ad in our program books at each concert.
